

Participants are welcome to join in the worship of the community during their stay.

Guests are free to enjoy our extensive 20 acres of grounds including a rose garden, orchards and woodland.

The primary aim of these courses is to foster spiritual growth and open our eyes and ears to new ways of seeing and hearing.

### Directions

The easiest way to find us is to come off the M62 at junction 25. Follow the signs towards Mirfield. You'll invariably come to a queue of traffic at Cooper Bridge Roundabout. Fork left and follow the signs towards Leeds. Take the first right after the Little Chef (Stocks Bank Road - signed to Battyeford and CR House). We're just over the brow of the hill on the right hand side (a few hundred yards after Christ the King Church).

## Special Courses for 2011 - 2012

## Life in a Monastery:

### Walking, Gardening, Praying and Painting

13th - 17th June 2011

Fr A Grant CR & Br Philip Nichols CR

This week will offer the opportunity to slow down and gain rhythm. Participants can join the brothers for regular prayers and Christian reflection, including a day of silent retreat. There will be walks organised in the glorious West Riding countryside. The monastery stands in 20 acres of grounds including flower gardens and orchards and there will be the chance to dig the soil and tend the plants. Painting material will be available for beginners; more experienced painters may wish to bring their own.

## An Anglo-Catholic Today?: Sacraments, Church and Mary

14th - 18th September 2011

Fr Nicolas Stebbing CR

Is it still possible to be a catholic Anglican? What does it mean now? These days will be spent looking at the central beliefs of Catholic Christianity and we will take part in the Walsingham Festival at York Minster on Saturday 17th.

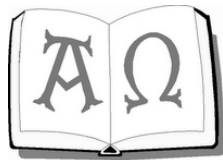

## Meet the Gospels in Greek

19th - 23rd September 2011

Fr Nicolas Stebbing CR

A course for beginners, learning to use basic Greek in engaging with the Gospels. The course will include discussion and reflection on meanings of the text and issues of translation, including reference to the King James version of the Bible.

## Christian Art:

### The development of the Figure of Christ from earliest days to Duccio and Fra Angelico

7th - 11th November 2011

Fr Eric Simmons CR & Fr John Gribben CR

Learn why early Christians turned from symbolic art to painting the person of Christ, how this tradition developed in the Western Church and the impact of the visual revolution brought about by Italy's early Renaissance painters. The course will include reflection on the biblical themes in this art and its spiritual impact then and now.

## A Moving Experience

23rd - 27th January 2012

Fr Thomas Seville CR

About to move? Finishing curacy and going to first post? Have you thought of preparing for such a big event by coming on retreat for a few days? You will have received training in how to look after a parish; but is that all you have to prepare for? If there are things to be thankful for, if there are worries to hold, or if there are both to handle, then there may be something to say for giving some time to God. This week may be a good place and time to do this. There will be the opportunity to reflect, discuss together and pray about the calling of the parish priest. While it keeps the model of an Anglican parish in mind, the retreat is open to men and women in ministry from any Christian denomination.

The Community and College of the Resurrection offers a special opportunity for quiet contemplation, study or retreat. Set in the heart of the Pennines, on the edge of the Peak District, it is both accessible and secluded.

The brothers of the community live permanently on-site and can be available to help and guide you.

The site also includes theological libraries.
